

CampusIT online documentation

docs.campusit.net

CampusIT

What?

All of CampusIT's product documentation in one place

docs.campusit.net

CampusIT

Why?

- single searchable library of documents
- context linking from applications
- feedback forms
- video clips
- reporting
- view of work-in-progress

How?

- published in Drupal
- authored in OpenOffice
- automated document conversion

Maybe?

- requests
- rate topics
- user supplements
- tagging

your thoughts?

Evolving ...

- naming consistency
- search and discovery
- context linking
- information typing
